DATE OF AGREEMENT:  
October 2006

**A. INTRODUCTION**

Throughout this Amendment these entities are referred to as follows:

Maniilaq Association	=	Maniilaq Association
Alaska Native Tribal Health Consortium	=	ANTHC
Division of Environmental Health and Engineering	=	DEHE
Denali Commission	=	Commission
Cooperative Project Agreement	=	CPA

On Feb. 14, 2006, ANTHC and the Maniilaq Association executed a CPA authorized by the Denali Commission to construct a new health clinic in Kobuk, Alaska. Project activities included site preparation, materials and equipment, construction, and labor.

The project was originally funded with \$700,000 of Denali Commission funds, via Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005; \$1,700,000 of Maniilaq Association funds; and \$290,220 of FY05 Indian Health Service Tribal Equipment program funds.

**B. REVISION OF PROJECT FUNDING**

This Amendment adds \$777,062 of Commission funding, via Denali Commission Financial Assistance Award Project No. 185-05, Amendment No. 3, dated August 2006. Also, \$58,434 of reimbursement design funds are added, via Denali Commission Financial Assistance Award Project No. 220-06, Amendment No. 1, dated September 2006.

Commission funding therefore totals \$1,535,496.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources		
						Denali FY05	Denali FY05	Denali FY06
M-DS	Design clinic	1	LS	58,434	58,434			58,434
M-CL	Construct clinic	1	LS	1,477,062	1,477,062	700,000	777,062	
Kobuk Award					\$1,535,496	\$700,000	\$777,062	\$58,434
M-CB	ANTHC Support Services Charges							
Total Commission Award					\$1,535,496	\$700,000	\$777,062	\$58,434

Matching funds in the amount of \$1,700,000 are identified in Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005. By signing this Amendment, Maniilaq Association agrees its matching funds shall be made available to the project. If matching funds are not made available, project activities will be curtailed.

The original CPA errantly included \$290,220 of FY05 Indian Health Service Tribal Equipment program funds. Those funds have been removed from the cost estimate table; they were not identified in Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005.

This document constitutes Amendment No. 1 to the CPA to construct a new health clinic in Kobuk, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.
